These recommendations of Sahare Committee were being implemented in the Sainik Schools till recently. However, this automatic revision of pay scales has not been given effect to for Sainik School employees after the acceptance of the recommendations of 4th Pay Commission, as the question of revision of their pay scales and other service conditions was being looked into by an Academic Study Group, constituted by the Government. These recommendations are under active consideration of the Sainik Schools Society.

Revised pay scales will be made applicable uniformly to the employees of all the 18 Sainik Schools run by the Sainik Schools Society, after the decision on revision of pay scales is taken.
